Deputy Denis Naughten,

Leinster House,
Kildare Street,
Dublin 2.

Dear Deputy Naughten,

Re: PQ 30258/19 (Health)

To ask the Minister for Health the reason for the delay in approval of development posts at Roscommon University Hospital which were specifically provided for in Budget 2018; if the posts will be filled without delay in view of the fact that candidates have now been selected further to a recruitment process; and if he will make a statement on the matter.

I refer to the above query via the HSE PQ/Rep System.

I wish to advise some of the posts have been filled including 0.3 Whole Time Equivalent (WTE) Consultant Radiologist, 0.1 WTE Consultant Cardiologist, 0.5 WTE Staff Nurse, 0.2 WTE Clinical Nurse Specialist, Cardiac Rehab and 0.5 WTE Clinical Nurse Specialist, Care of the Older Person. The remaining posts, including Health & Social Care Professionals, Clerical Staff and a Medical Officer are still in the process of recruitment. In accordance with the "2019 Pay and Numbers Strategy, 31st March 2019", national approval is required to complete the recruitment process for these posts, and we are currently awaiting notification of same.

Yours sincerely,

Mary Garvey
General Manager
