Re: PQ 31138/19 – Anomaly scan for expectant mothers, Regional Hospital Mullingar

To ask the Minister for Health the status of the provision of a 20-week anomaly scan for all expectant mothers at the Midlands Regional Hospital, Mullingar - Robert Troy

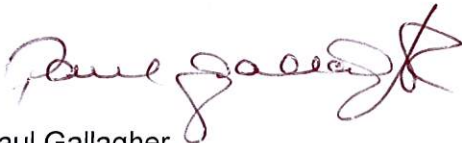

Dear Deputy Troy,

I refer to the above Parliamentary Question seeking an update on the provision of a 20-week anomaly scan for all expectant mothers at Regional Hospital Mullingar, which has been referred to the Ireland East Hospital Group for direct response.

I have had this matter examined and can advise that Regional Hospital Mullingar provide full (100%) Anomaly Scanning.

I trust this information is of assistance to you.

Yours sincerely

Paul Gallagher
Chief Director of Nursing and Midwifery
