PQ 33433/19 * To ask the Minister for Health the status of capital funding for increased medical bed capacity at Sligo University Hospital; and if he will make a statement on the matter. - Eamon Scanlon

Dear Deputy Scanlon,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question which you submitted to the Minister for Health for response.

Preliminary design work and site investigations have been carried out for additional bed capacity at Sligo University Hospital. Planning approval was granted in July 2019. The progression of the project is subject to the availability of capital funding.

Yours sincerely,

Jim Curran
Head of Estates
