Re: PQ 23778/19: “To ask the Minister for Health the status of the planned expansion of services at the Loughglynn ambulance base in County Roscommon; and if he will make a statement on the matter.”

Dear Deputy Burke,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question, which you submitted to the Minister for Health for response.

The National Ambulance Service can confirm that there are currently no plans to provide additional resources in Loughlynn. The National Ambulance Service can also confirm that there is currently six staff based at Loughlynn Ambulance Station. One emergency ambulance in Loughlynn operates 5 days per week and 2 nights per week and additional support is provided from Roscommon and adjacent ambulance stations.

I trust this information is of assistance to you and should you require further information please contact me

Yours sincerely,

Oliver Reilly
Asst Chief Ambulance Officer
