To ask the Minister for Health the status of the delivery of a new primary care centre for Ballaghaderreen, County Roscommon; and if he will make a statement on the matter.

Dear Deputy Burke,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question. I have examined the matter and the following outlines the position.

HSE Estates are currently working with the developer of the proposed Ballaghaderreen Primary Care centre to finalise plans and elevations for the Centre. It is anticipated that a planning application will be lodged for same in the next 2 months.

HSE Estates are in the process of entering into an agreement for lease with the developer. It is anticipated that the building should be delivered in approximately 24 months subject to planning

I trust this information will be of assistance to you.

Yours sincerely,

Frank Murphy,
Head of Primary Care Services,
