**To ask the Minister for Health the waiting times for paediatric occupational therapists in the Saolta area; the number of paediatric occupational therapists employed in the Saolta area; the locations of same; and if he will make a statement on the matter. -Denis Naughten**

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question/Public Representation which you submitted to the Minister for Health for response. I have examined the matter and the following outlines the position.

The Saolta University Hospital Group does not hold a waiting list for Paediatric Occupational therapy as there are no Paediatric Occupational Therapists currently working in the Saolta Hospital Group.

I trust this information is of assistance to you but should you have any further queries please contact me.

Yours sincerely,

---
