Dear Deputy Cahill,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Questions which you submitted to the Minister for Health for response.

A 60 Bed Community Nursing Unit (CNU) at St. Patrick's Hospital, Cashel is included in the HSE Capital Investment Programme for Community Nursing Units (CNU's), as part of the programme for compliance with regulatory standards for HIQA registration purposes.

A design team has been appointed and Stage 1 Design and site investigations are currently underway and due to complete at end of June. It is anticipated that that a planning application will be submitted before the end of 2019.

Yours sincerely,

Jim Curran
