To ask the Minister for Health the number of adults with intellectual disabilities in residential care in County Donegal

Dear Deputy Doherty

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question, which you submitted to the Minister for Health for response.

I can confirm that there are 175 adults with intellectual disability living in Residential and Community Group Homes in Co Donegal, and a further 16 adults are availing of Semi-Independent Residential places in the county.

I trust that this is of assistance, but please do not hesitate to contact me if you require further information.

Yours sincerely
