Lisa Chambers, T.D.,
Dail Eireann,
Leinster House,
Dublin 2.

4th July 2019.

PQ 26199/19

“To ask the Minister for Health the number of respite hours provided for adolescents with an intellectual disability in County Mayo in each of the years from 2008 to 2018 in tabular form”.

Dear Deputy Chambers,

I refer to PQ 26199/19 uploaded on the PAD System on 20th June 2019 and due for response on 4th July 2019 regarding representations that you have made to the Minister for Health concerning “the number of respite hours provided for adolescents with an intellectual disability in County Mayo in each of the years from 2008 to 2018 in tabular form”. The HSE has been requested to reply directly to you on this matter. The following response outlines the position.

I wish to advise you that respite data collected for individuals with an intellectual disability does not have a separate category for adolescent respite on the national Key Performance Indicator (KPI) I.T. Metadata System. Adolescent respite is included with the children’s respite figures and I wish to draw your attention to response issued to PQ 26198/19 wherein that information was contained in tabular format as outlined in the table below.

Please note the data below includes Centre based, non-Centre based and home sharing respite provided to children in County Mayo for the years 2012 to 2018 inclusive. The breakdown between day and overnight respite is not available for the years 2012 and 2013. Overnight Respite is recorded in terms of number of bed nights and Day Respite is recorded in terms of instances of respite and these can vary in length.

Year	Number of Overnight Respite	Number of Day Respite	Total
2018	1464	366	1830
2017	1456	360	1815
2016	1418	728	2146
2015	1226	450	1676
2014	1175	515	1690
2013	1111	Data not available	1111
2012	3271 (includes over 18s using children’s respite)	Data not available	3271

I trust that this response has clarified the matter that you have raised in this instance.

Yours sincerely,

A handwritten signature in dark ink, appearing to read 'John Fitzmaurice', is written over a horizontal line.
