*\*To ask the Minister for Health the number of persons on the waiting list for residential care for adults with an intellectual disability in County Wicklow in each of the years 2008 to 2018, in tabular form; and if he will make a statement on the matter. - Michael Healy*

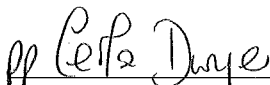

Dear Deputy Healy-Rae,

Thank you for your recent correspondence. The Health Service Executive (HSE) has been requested to reply to you in the context of the above Representation. I have examined the matter and the following outlines the current position.

The HSE can confirm that the number of persons on the waiting list for residential care for adults with an intellectual disability in County Wicklow from Community Healthcare East is 126. It is not possible to obtain a breakdown of the individual years from 2008-2017.

I trust that this information is of assistance to you but should you require further information please do not hesitate to contact me.

Yours sincerely,

  
Ms Claire Waldron  
General Manager for Social Care
