***To ask the Minister for Health the number of respite hours provided for adults with an intellectual disability in County Wicklow in each of the years 2008 to 2018, in tabular form; and if he will make a statement on the matter. -Michael Healy-Rae**

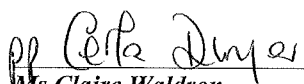

Dear Deputy Healy-Rae,

Thank you for your recent correspondence. The Health Service Executive (HSE) has been requested to reply to you in the context of the above Representation. I have examined the matter and the following outlines the current position.

The HSE currently collects information for the National Service Plan pertaining respite activity in terms of children and adults for the Community Healthcare Area by number of nights and days but unfortunately not in the cohort requested.

I trust that this information is of assistance to you but should you require further information please do not hesitate to contact me.

Yours sincerely,

Ms Claire Waldron
General Manager for Social Care
