Details

To ask the Minister for Health the number of respite hours provided for adults with an intellectual disability in counties Cavan and Monaghan in each of the years 2008 to 2018, in tabular form - Caoimhghín Ó Caoláin

Dear Deputy Ó Caoláin,

I refer to your recent correspondence in relation to the number of respite hours provided for adults with an intellectual disability in counties Cavan and Monaghan in each of the years 2008 to 2018. I have examined the matter and the following outlines the position in Cavan and Monaghan;

Respite services are reported on by the number of nights provided per adult and it is not currently possible to provide the actual total hours respite provided to adults with ID.

I can advise that the records held commence in 2010, therefore, the table below contains the totals for adults with ID who were provided respite from 2010 to 2019.

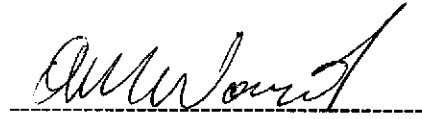

Respite Services – Adults with ID 2010 to 2019 (Number of Nights Provided)

2010	2011	2012	2013	2014	2015	2016	2017	2018	2019*
2671	2459	2088	2017	1706	1746	1749	1722	1710	433

*Q1 and Q2 2019

I trust this information is of assistance to you but should you have any further queries please do not hesitate to contact me.

Yours sincerely,
