Re: PQ13294/19

"To ask the Minister for Health when the HSE and his Department will release the funding for Letterkenny University Hospital to extend the renal dialysis unit to incorporate space already within the hospital campus - Louise O'Reilly"

Dear Deputy,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question/Public Representation which you submitted to the Minister for Health for response. I have examined the matter and the following outlines the position.

The submission in support of the extension of the Renal Dialysis Unit remains with the National Hospitals Office and the Renal Clinical Programme. Letterkenny University Hospital is currently liaising with the HSE and Department of Health to clarify all outstanding queries in respect of this business case submission.

I trust this information is of assistance to you but should you have any further queries please contact me.

Yours Sincerely,

Seán Murphy
General Manager
Letterkenny General Hospital
