Re: PQ ref 14303/19: *To ask the Minister for Health if the Hospital Campus Development Plan 2018 to 2023 referenced in correspondence (details supplied) will be provided; and if he will make a statement on the matter.*

Dear Deputy McGrath,

Following the publication of the Outline Development Control Plan of 2008, the hospital undertook various site capacity studies and created an upgraded Master Plan up to and including those submitted under the planning application of the National Children's Hospital.

In addition to the statement made by the HSE Head of Estates in October 2017, the hospital has continued to review the development plans for the campus and has sought financial support to appoint the professional team in order to complete the analysis and Master Plan document for the Campus Capital Developments for the next 5- 10 year programme. The next phase of Campus Development Plan is currently in preliminary stages of development.

Yours sincerely,

Ms. Ann Dalton
