Re: PQ 14320/19 – Advanced nurse practitioner, Wexford

“To ask the Minister for Health if there is an advanced nurse practitioner for cardiac nursing in Wexford General Hospital; and if he will make a statement on the matter.”

Dear Deputy Wallace,

I refer to the above Parliamentary Question seeking information regarding an advanced nurse practitioner for cardiac nursing in Wexford General Hospital (WGH), which has been referred to the Ireland East Hospital Group for direct response.

I have had this matter investigated and am advised that there is no Advanced Nurse Practitioner post for Cardiac Nursing at WGH. However, we do have two Cardiac Clinical Nurse Specialists (CNSs).

I trust this information is of assistance to you.

Yours sincerely

Ann Donovan
Group Chief Operations Officer
