**PQ 19668 - To ask the Minister for Health the part-time and full-time nurse staffing levels at University Hospital Waterford compared to recommended sanctioned levels**

Dear Deputy Donnelly

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question, which you submitted to the Minister for Health for response. I have examined the matter and the following outlines the position.

I can confirm that University Hospital Waterford has 871 Nurses employed and out of that figure UHW has 450 full time nurses and 421 part time staff nurses.

I trust the above is satisfactory but if you have any queries please do not hesitate to contact me.

Yours sincerely,

**Grace Rothwell**
