Re: PQ 20246 - Colonscopy

To ask the Minister for Health if appointments for a department in a hospital (details supplied) are being cancelled at short notice due to the fact that this department is being used as an overflow for the accident and emergency department; and if he will make a statement on the matter.

Dear Ms Daly

Reference your parliamentary question with regard to colonscopy service in Beaumont Hospital.

Our endoscopy ward did experience some disruption in April as a result of Emergency Department presentations and an unplanned ward close.

Both these situations are now addressed and as such there is now full restoration of our colonoscopy service.

Yours sincerely
