PQ 20409/19 * To ask the Minister for Health if funding has been sanctioned for planned refurbishment and upgrade works at St. Joseph's and Ramelton community hospital; and if so, when works will commence - Pearse Doherty

Dear Deputy Doherty,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question which you submitted to the Minister for Health for response.

The retention of services in St. Joseph's Community Hospital Stranorlar and Ramelton Community Hospital with a requirement for refurbishment of both centres is included in the Capital Plan 2016 – 2021. These projects will be progressed when funding becomes available and timelines confirmed on receipt of funding. In the short term the HSE will invest minor capital in both units in 2019 & 2020 in order to deal with HIQA compliance issues and an agreed schedule of works is being finalised with HIQA.

Yours sincerely,

Jim Curran
Head of Estates
