**PQ 20761/19 \* To ask the Minister for Health further to Topical Issue No. 4 of 28 March 2019, the cost of the new diabetic day unit at Sligo University Hospital; the amount allocated from the capital budget; and the amount allocated in 2019 for this unit which is to be operational by 2020 - Martin Kenny**

Dear Deputy Kenny,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question which you submitted to the Minister for Health for response.

The tender for the construction of the new Diabetes centre at SUH was issued to contractors in May 2019. The current approved capital budget for the Project is €1.24m. This includes design fees, equipment and other costs in addition to the construction cost. It is intended to proceed to construction in 2019 subject to approval of tender.

Yours sincerely,

**Jim Curran**  
Head of Estates
