**Re: PQ 20859/19**

*Question: To ask the Minister for Health the number and title of all reports, investigations and or reviews commissioned since 1 January 2005 by the HSE and or his Department that remain uncompleted and or unpublished; and if he will make a statement on the matter.*

Dear Deputy Browne,

I refer to the above Parliamentary Question which has been referred by the Minister for Health to the Health Service Executive for direct response.

Having checked nationally I am advised the HSE does not currently have a central repository that may have been commissioned. Reports commissioned by the HSE may be done so at local, regional or national level as appropriate. Where there are costs involved any such costs would be from the budget of the relevant national, regional or local division or service, rather than from any single budget. As a result I regret we don't at this time have a centralised database system that will allow us to provide you with the information you request.

However, to assist you it would be helpful to us if you could identify any particular report or reports which you are aware of and interested in and which you understand are not yet published and we would be happy to seek these out and provide you with an update on them.

Please note all of our reports published to date can be found on our website at - [www.hse.ie](http://www.hse.ie).

If you would like to discuss the matter further please feel free to contact me at - [pad@hse.ie](mailto:pad@hse.ie) or tel: (01) 6352531.

Yours sincerely,

**Assistant National Director  
Parliamentary Affairs Division  
Health Service Executive**
