Re: 22742 PQ 20907/19

***To ask the Minister for Health his plans to ensure that the budget for disability services in CHO 9 is allocated without delay; and if he will make a statement on the matter.**

Dear Deputy,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question which you submitted to the Minister for Health for response. I have examined the matter and the following outlines the position.

I wish to advise the full year budget for 2019 CHO Dublin North City & County Disability Service is €293.5m. This was the full amount of funding allocated to Disabilities in 2019 which includes both Statutory and Voluntary Providers in CHO DNCC in February 2019.

In addition, should CHO DNCC receive additional monies during 2019 in respect of various service developments, e.g. school leaver funding, this will be communicated to the relevant Service Provider(s).

I trust this information is of assistance to you but should you have any further queries please do not hesitate to contact me.

Yours sincerely,

Mairead Lyons
Head of Service - Social Care
