**'To ask the Minister for Health if concerns in relation to the provision of services by RehabCare in Galway city and county have been addressed; and if he will make a statement on the matter.'**

Dear Deputy Connolly,

I refer to PQ 22156/19 uploaded on the PAD System on 21<sup>st</sup> May 2019 and due for response on 6<sup>th</sup> June 2019 regarding representations that you have made to the Minister for Health 'if concerns in relation to the provision of services by RehabCare in Galway city and county have been addressed; and if he will make a statement on the matter.' The HSE has been requested to reply directly to you on this matter. The following response outlines the position.

The Rehab Group provide a range of residential, day and rehabilitative services across Galway city and county. Funding deficits relating to Galway based RehabCare services have been notified to the HSE are being addressed in consultation with local and national HSE and Rehab Group officials.

I trust that this response has clarified the matter that you have raised in this instance.

Yours sincerely,

John Fitzmaurice,  
General Manager,
