Dear Deputy Broughan,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question, which you submitted to the Minister for Health for response. I have examined the matter and the following outlines the position.

HSE Dublin North City and County (DNCC) Social Inclusion service has 4 consultant psychiatrists operating in the area. These psychiatrists are integrated into treatment centre settings and are part of the multidisciplinary teams of addiction professionals which include, nurse, pharmacists, doctors, counsellors, outreach workers and case managers. The four teams are as follows;

- Corduff Primary Care Centre, Dublin 15 serving Blanchardstown, Finglas, Cabra, Stoneybatter and covers Keltol in the Phoenix Park
- Domville House, Ballymun Rd, Dublin 9 serving Ballymun down to Amien Street
- The Glin Centre, Bonnybrook, Coolock, Dublin 5 serving Dublin North East out to Swords and Malahide
- SASSY (Substance Abuse Specific to Youth) are based at 490 North Circular Road, Dublin 1 and has locations in 6 different areas all over Dublin North City & County.

I trust this information is of assistance to you but should you have any further queries please do not hesitate to contact me.

Yours sincerely
