Deputy Sean Sherlock
TD
Dail Eireann
Kildare Street
Dublin 1

PQ Question 46137/19: To ask the Minister for Health the number of cases of scarlet fever that have presented in 2018 and to date in 2019, by age categories and by each CHO.

Dear Deputy Sherlock,

The above PQ has been sent to me directly to respond to you on same.

Scarlet fever is not one of the notifiable infectious diseases in Ireland, so data on the number of cases presenting is not routinely collected.

I trust this information will be of assistance to you.

Yours sincerely,
