Dear Deputy McLoughlin,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question which you submitted to the Minister for Health for response.

Grange PCC - The design team are currently finalising the Stage 2b report (planning permission) and preparing documents for the first stage of the tender process (suitability assessment). The purchase of the site is also being completed. It is intended to proceed to tender and construction of the centre in 2020, subject to approval of funding.

Yours sincerely,

Jim Curran
