PQ 47346/19 * To ask the Minister for Health if he will review his decision not to include the refurbishment of the Celbridge health centre dental clinic, Celbridge, County Kildare in the HSE Capital Plan 2020-2023 in view of the serious implications it has for children that have to try and access services in Maynooth and Naas, County Kildare (details supplied); and if he will make a statement on the matter. - Brendan Howlin

Dear Deputy Howlin,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question which you submitted to the Minister for Health for response.

Funding for the progression of refurbishment works to the existing dental clinic in Celbridge Health Centre has been provided in the draft Capital Plan for 2020 which is currently being finalised and will be submitted to the Minister for Health for consideration and approval.

Yours sincerely,

Jim Curran
