10th December 2019

PQ 48890/19 * To ask the Minister for Health the status of the promised new state of the art oncology centre in view of the recognition by all stakeholders that the oncology day ward at Galway University Hospital has not been fit-for-purpose for over ten years; and if he will make a statement on the matter. - Catherine Connolly

Dear Deputy Connolly,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question which you submitted to the Minister for Health for response.

Options to provide alternative improved accommodation to meet the present and future needs of the oncology/haematology day service are currently being reviewed. On completion of the review a request will be submitted to the National Capital & Property Steering Committee (NC&PSC) seeking capital funding.

Yours sincerely,

Jim Curran
Head of Estates
