-To ask the Minister for Health the number of persons treated in the Mental Health Services nationally in each of the years 2016 to 2018 and to date in 2019, by CHO area in tabular form - Tom Neville. -Tom Neville

Dear Deputy Neville,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question, which you submitted to the Minister for Health for response. I have examined the matter and the following outlines the position. Data is not routinely collected nationally on the number of persons treated in the Mental Health Services, however the following information is available on the numbers of new/re-referred cases that were seen in the (CAMHS, Adult & Psychiatry of Later Life) community services

I trust this information is of assistance to you but should you have any further queries please contact me.

Yours sincerely,

Dr Sinead Reynolds
General Manager Mental Health Services
