**PQ ref 41014/19**

***“To ask the Minister for Health the status of the development of a primary care centre in Lucan, County Dublin; and if he will make a statement on the matter.”***

- **John Curran**

Dear Deputy Curran,

The Health Service Executive has been requested to reply directly to you in regard to your parliamentary question which you submitted to the Minister for Health for response. I have examined the matter and the following outlines the position.

HSE Estates has re-advertised Lucan PCC in an advertisement placed in the national press in May under the HSE's Primary Care Operational Lease Mechanism. This advertisement sought submissions of interest from parties who are developing or planning to develop Primary Care health facilities. A number of Expressions of Interest (EoIs) have been received and the competition has progressed to Stage 2 of the competition. It is anticipated that a preferred provider will be selected in Q1 2020.

I trust this information is of assistance to you but if you have any queries or require any further information please do not hesitate to contact me.

Yours sincerely,

  
Mary O'Kelly  
Head of Service  
Primary Care
