Re: PQ 41319/19: "To ask the Minister for Health when the National Out of Hospital Cardiac Arrest Steering Group Report will be published; and if he will make a statement on the matter."

Dear Deputy Moynihan,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Questions, which you submitted to the Minister for Health for response.

The National Ambulance Service can confirm that a Lead was appointed by the NAS to commence the development of the implementation plan and mechanisms of delivery regarding the report. As can be appreciated, this is a very broad cross sectoral futuristic strategy which will deliver benefit to the citizens of the country and NAS are fully committed to implementing same.

I trust this information is of assistance to you and should you require further information please contact me.

Yours sincerely,

Oliver Reilly
Asst Chief Ambulance Officer
