Re: PQ - ref 41867/19 - To ask the Minister for Health if the maintenance at Castleblayney Health Centre Grounds Maintenance will be referred to the HSE; the status of same.

Dear Deputy Smyth,

The Health Service Executive has been requested to reply directly to you in the context of the above Representation, which you submitted to the Chief Officer, CHO 1 for response.

As you state in your correspondence the responsibility for maintaining the area within the perimeter walls of Castleblayney Health Centre is the responsibility of the HSE to maintain. In this regard the service has requested that a contractor be employed to ensure that a thorough end of year removal of weeds etc is completed and I am assured that this work will be carried out by 6th November at the latest.

I trust this information is of assistance to you but should you have any further queries please do not hesitate to contact me.

Yours sincerely,

A handwritten signature in black ink that reads "Dermot".
