***PQ 42334/19 – To ask the Minister for Health the funding allocated to stroke survivors in the community in CHO9 in each of the years 2017, 2018 and to date in 2019, in tabular form. – Thomas P. Broughan***

Dear Deputy Broughan,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question, which you submitted to the Minister for Health for response. I have examined the matter and the following outlines the position.

Dublin North City and County Primary Care service do not hold a separate budget for the funding of support services for stroke survivors. Support for stroke survivors can straddle many different primary care disciplines such as Physiotherapy, Occupational Therapy, Speech and Language, GP services, etc.

Unfortunately we do not have a system in place that would extract this information for stroke survivors only.

I trust this information is of assistance to you but should you have any further queries please do not hesitate to contact me.

**Yours sincerely,**

**Michelle Forde**  
**General Manager**
