Re: Parliamentary Question 42422/19 *“To ask the Minister for Health the status of the investment for the upgrade of the emergency department at Cavan General Hospital; and if he will make a statement on the matter.”*

Dear Deputy Smyth,

The RCSI Hospital Group has been requested to reply directly to you in the context of the above Parliamentary Question, which you submitted to the Minister for Health for response. Having reviewed the matter, the following outlines the position.

Cavan General Hospital is engaging with HSE estates regarding upgrading of the resuscitation area in Emergency Department in Cavan General Hospital.

The upgrade involves a reconfiguration within the existing Emergency Department to provide additional space to the resuscitation area.

We trust this information is of assistance to you.

Yours sincerely,

June Molloy
