Re: - PQ Ref 43063/19 – The number of referrals for a first time assessment for occupational therapy in CHO3 to date in 2019

Dear Deputy Murphy O' Mahony,

I refer to your Parliamentary Question in relation to the above *"To ask the Minister for Health the number of referrals for a first time assessment for occupational therapy in CHO3 to date in 2019"*.

Primary Care (CHO3) received a total of 6,512 referrals for a first time assessment from January to September 2019.

I trust this information addresses the issues raised in our representation.

Yours sincerely,

P.P. Jean Gubbins
