PQ 43069/19 – To ask the Minister for Health the number of referrals for first assessment for occupational therapy in CHO 9 to date in 2019 – Margaret Murphy O'Mahony

Dear Deputy Murphy O'Mahony,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question, which you submitted to the Minister for Health for response. I have examined the matter and the following outlines the position.

Dublin North City and County Occupational Therapy (OT) service had a total of 8,508 referrals for clients to be seen for a first assessment between 1st January 2019 and 30th September 2019. These figures are the most recent available from the KPI process.

I trust this information is of assistance to you but should you have any further queries please do not hesitate to contact me.

Yours sincerely,

Michelle Forde

Primary Care
