**Re: PQ ref 43288/19**

\* \* To ask the Minister for Health the status of the development of a primary care centre in Arklow, County Wicklow; and if he will make a statement on the matter

Dear Deputy Brady,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question, which you submitted to the Minister for Health and Children for response. I have examined the matter and the following outlines the position.

I am advised that HSE Estates have issued a 'Letter of Intent' to the purchaser of the site for the proposed Primary Care Centre in Arklow. A review of the existing building design and planning conditions is underway with the purchaser, and a new planning application to amend the existing grant of planning for Arklow Primary Care Centre was lodged on Friday 1<sup>st</sup> November 2019.

I trust this information is of assistance to you but should you have any further queries please do not hesitate to contact me.

Yours sincerely,

**Loraine Kennedy**  
Head of Service, Primary Care
