PQ 43529/19 * To ask the Minister for Health the position regarding capital spending for a centre (details supplied); if part of a site has been allocated for a proposed new build for the centre; and if he will make a statement on the matter. - Mary Butler

Holy Angels Day Care Centre in Carlow, Kelvin Grove site, Athy Road, Co. Carlow

Dear Deputy Butler,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question which you submitted to the Minister for Health for response.

A site was previously identified for this proposed development at Kelvin Grove, Carlow but capital funding at this time was prioritised for the decongregation programme which the HSE is actively implementing. This project will be considered for funding in the development of the Capital Plan 2020.

Yours sincerely,

Jim Curran
Head of Estates
