CHO DNCC is required to operate within its allocated 2019 budget. As part of the budgetary control measures in place, all posts must receive derogation prior to the commencement of the recruitment process. Derogations have been sought for all of these posts. Appointments will be made in accordance with the recruitment control measures in place dependent on derogation received.

The list identifies posts where interviews have been held and offers made may also include posts currently filled in a temporary capacity which are being made permanent.

I trust this information is of assistance to you but should you have any further queries please do not hesitate to contact me.

Yours sincerely

**Ann Curley**  
Head of HR
