To ask the Minister for Health the wait time for a dental appointment for children in the public health system in County Mayo; and if he will make a statement on the matter.

Dear Deputy Chambers,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question. I have examined the matter and the following outlines the position.

In Mayo, children receive a dental appointment within 3 months of their scheduled assessment.

I trust this information will be of assistance to you.

Yours sincerely,

Frank Murphy,
