Re: Parliamentary Question 38377/19 *“To ask the Minister for Health the ophthalmology services available at Louth County Hospital, Dundalk; and if he has implemented the recommendations of the primary care eye services review group in this regard”.*

Dear Deputy Adams,

The RCSI Hospital Group has been requested to reply directly to you in the context of the above Parliamentary Question, which you submitted to the Minister for Health for response. Having reviewed the matter, the following outlines the position.

Services provided are: cataract surgery, eyelid surgery, intraocular inject, medical retina and laser treatments.

The measures recommended by the Primary Eye Services Review Group are currently under review by the Primary, Community and Continuing Care (PCCC).

We trust this information is of assistance to you.

Yours sincerely,

June Molloy
Communications Manager
RCSI Hospital Group
