Re: PQ 38434/19: "To ask the Minister for Health the number of ambulance call-outs due to road traffic accidents recorded on the Cork to Limerick road since January 2019."

Dear Deputy Sherlock,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question, which you submitted to the Minister for Health for response.

The National Ambulance Service can confirm the National Emergency Operations Centre received 36 calls for road traffic collisions on the N20 & M20 since January this year.

I trust this information is of assistance to you and should you require additional information please do not hesitate to contact me.

Yours sincerely,

Oliver Reilly
