Vacant HSE property at Donabate beach, Corballis, Co. Dublin, formerly used for respite

Dear Deputy Shortall,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question which you submitted to the Minister for Health for response.

The house referred to above has been used by Mental Health and Disability services in Community Health Organisation 8 as a respite facility. A number of surveys have recently been carried out on the property and it is planned to use this house for healthcare needs in future.

Yours sincerely,

Jim Curran
Head of Estates
