PQ 39607/20 * To ask the Minister for Health the status of and completion date for the planned Community Care Primary Health Centre in Drimnagh, Dublin 12; and if he will make a statement on the matter. -Aengus Ó Snodaigh

Dear Deputy Ó Snodaigh,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question which you submitted to the Minister for Health for response.

Funding has been allocated to commence the design process for the Drimnagh Primary Care Centre (PCC) in 2021.

All capital development proposals must progress through a number of approval stages, in line with the Public Spending Code, including detailed appraisal, planning, design and procurement, before funding for each stage can be confirmed. The successful completion of the various approval stages will impact the timeline for delivery of projects.

Yours sincerely,

Jim Curran
