**Re: Parliamentary Question 40184/20** *“To ask the Minister for Health if his attention has been drawn to plans to record a new series of the Rotunda in 2021; if this is considered sensitive to the ongoing restrictions in maternity hospitals; and if he will make a statement on the matter.”*

Dear Deputy Cairns,

The RCSI Hospital Group has been requested to reply directly to you in the context of the above Parliamentary Question, which you submitted to the Minister for Health for response. Having reviewed the matter, the following outlines the position.

Regarding filming for the next series of ‘The Rotunda’, management at the Rotunda Hospital wish to clarify that filming in delivery suits will take place through fixed pre-installed cameras that are operated remotely. The same remote camera platform was used for filming during previous series.

We trust this information is of assistance to you.

Yours sincerely,

---
