PQ40621/20 To ask the Minister for Health if late applications will be allowed for staff nurse national rolling campaigns which ended on 9 September 2020 due to Covid-19; and if he will make a statement on the matter - Michael Fitzmaurice

Dear Deputy,

I refer to your recent parliamentary question above which was sent to the HSE for reply.

The HSE continues to offer recruitment opportunities to all eligible Staff Nurse candidates across the organisation.

The majority of Staff Nurse (General) recruitment for Acute services is currently undertaken by the Hospital Groups directly and these campaigns are advertised by the Hospital groups themselves.

HBS Recruit manages a rolling national staff nurse recruitment campaign for the following:

Staff Nurse Intellectual Disability

Staff Nurse Mental Health

Staff Nurse General, Older Persons Services

Documentation is available as follows to allow candidates to apply for these rolling campaigns - <https://www.hse.ie/eng/staff/jobs/job-search/nursing/staffnurse> campaigns and these rolling campaigns remain open to all eligible candidate.

HBS HR have also supported our CHO services by managing a recruitment campaign for Graduate Staff Nurses in 2020 in conjunction with a third party recruitment service provider.

Yours sincerely,
