To ask the Minister for Health the steps being taken to reduce the current 63 week wait for audiology in County Roscommon; and if he will make a statement on the matter.

Dear Deputy Kerrane,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question. I have examined the matter and the following outlines the position.

The Audiology Services in Roscommon resumed its clinics in its new facility on the 11th December 2020.

Following the Christmas holidays, it is planned to run clinics at full capacity and address the current waiting list.

I trust this information is of assistance to you, but should you have any further queries please contact me.

Yours sincerely,

Frank Murphy
