PQ 42878/20 - To ask the Minister for Health the number of children waiting over 12 months to see a speech and language therapist by CHO in tabular form

-Denise Mitchell

Dear Deputy Mitchell

The Health Service Executive (HSE) has been requested to reply directly to you in the context of the above Parliamentary Question, which you submitted to the Minister for response.

The spread of COVID-19 is posing significant challenges for many service areas, including all Therapy Services. In light of these unprecedented challenges together with the Government's guidance on social distancing and on 'Cocooning' for those aged over 70, the HSE has had to reassess its operation of Community Therapy Services nationally, to ensure that the assessed needs of those clients with the highest priority are met.

As a result of the national effort across all Community Healthcare Organisations throughout the country, some aspects of normal monthly reporting have been delayed. Please find attached Appendices which contain the following, in tabular form;

Appendix 1 – Speech and Language Therapy - Number of 0-17 years & 11 months old patients awaiting Initial Assessment - October 2020

Appendix 2 – Speech and Language Therapy - Number of 0-17 years & 11 months old patients awaiting Initial Therapy – October 2020

Appendix 3 – Speech and Language Therapy - Number of 0-17 years & 11 months old patients awaiting Further Therapy - October 2020

Please note the list of areas at the bottom of the Appendix which did not return data, as some areas were not in a position to return data due to staff being redeployed to Covid-19 related duties. Please also note that because of this the overall accuracy of the waiting list data is impacted.

The HSE is working to ensure timely access to children and adults requiring therapy services, and to reduce long waiting times for these important services.

As this is an evolving and unprecedented situation, the HSE will keep matters in review and will advise clients and/or family members accordingly.

I trust this information is of assistance to you.

Yours sincerely,
