Re: PQ ref 42941/20

* * To ask the Minister for Health the status of the new Primary Care Centre for an area (Greystones); and if he will make a statement on the matter

Dear Deputy Whitmore,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question, which you submitted to the Minister for Health and Children for response. I have examined the matter and the following outlines the position.

I have been advised by HSE Estates that the location of the proposed Greystones Primary Care Centre is on Wicklow County Council owned lands at Mill Road, Greystones. Wicklow County Council is undertaking an overall master plan for the development of their full site.

In order to expedite the delivery of the Primary Care Centre, Wicklow County Council has agreed to apportion a part of the overall site for the development of the Primary Care Centre. This will facilitate the development of the Primary Care Centre separately to the remainder of the site development.

The HSE are currently engaging with Wicklow County Council on this proposal and a valuation of the site is underway.

I trust this information is of assistance to you but should you have any further queries please do not hesitate to contact me.

Yours sincerely,

Emma Smyth
Head of Service, Primary Care
