To ask the Minister for Health the name and location of rehabilitation detox services that have been closed and used as isolation facilities due to Covid-19

Dear Deputy Gould,

The Health Service Executive has been requested to reply directly to your above Parliamentary Question which you submitted to the Minister for Health for response. I have examined the matter and the following outlines the position:

HSE Addiction Area Managers have reported that there are currently no detoxification services closed and being used as isolation facilities for COVID-19.

I trust this information is of assistance to you but should you have any further queries please contact me.

Yours sincerely,
