Re: PQ Ref 13903/20

**“To ask the Minister for Health his plans for an old HSE building (Bray Civic Centre) now that the new primary care centre in Bray, County Wicklow is fully constructed and occupied; and if he will make a statement on the matter.”**

Dear Deputy Brady,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question, which you submitted to the Minister for Health and Children for response. I have examined the matter and the following outlines the position.

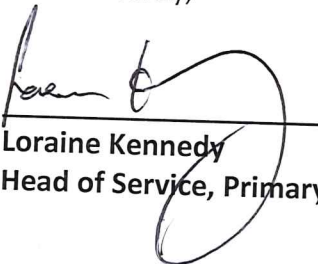

The relocation of the Primary Care clinical services from the Civic Centre to the new Primary Care Centre in Bray was delayed due to the Covid-19 Pandemic. Some services have relocated and Primary Care aims to be operational from the new premises from September 2020.

Work is also due to take place in the Bray Civic Centre to facilitate the return of the Civil Registration Service (CRS) to Bray.

Consideration is being given to the use of Bray Civic Centre to maximise the physical infrastructure capacity for service provision in north Wicklow while maintaining a safe environment for both staff and service users in line with the Government’s Return to Work Safely Protocol.

I trust this information is of assistance to you but should you have any further queries please do not hesitate to contact me.

Yours sincerely,

**Loraine Kennedy**  
Head of Service, Primary Care
